Life Transformation Coaching Program

You don't need to know HOW you're going to realize your dreams yet.

The HOW will emerge organically out of your focus on your WHAT, supported by the energy of the Life Transformation Coaching Program.

The Life Transformation Coaching Program is ONLY right for you if:

- You are willing to take responsibility for your thoughts, emotions, actions and results.
- You are motivated to change and willing to take action (Action is the key to manifestation).
- You are willing to be decisive, seek (and speak) your truth and claim what you want.
- You're willing to be able to commit 100% to your growth, play "full on" and ask for the support you need.
- You're willing to try new things and stretch beyond what you've believed to be true in the past.
- You are willing to take action even though you may be moving outside of your comfort zone.

It doesn't matter whether you've made that sort of commitment in the past. Quantum physics tells us we are literally pulsing in and out of existence 7 times each second. Every moment contains a Universe of possibilities.

The past is irrelevant. What I want to know is if you are ready RIGHT NOW to make a life-changing commitment to your True Self.

So, are you ready to Transform Your Life?

Yes Kimberly! I'm ready to completely transform my life in 2008. I want to create optimal satisfaction on all levels of life: spiritual, relational, physical, intellectual and financial!

I understand that you will personally review my application. This application, together with payment preference notation, officially indicates my interest in being accepted into the 2008 Life Transformation Program.

I understand that if I am accepted, I am making a personal and financial commitment to my own growth for the next year.

I declare that the information I provide on this confidential application is accurate and authentic and I understand that the purpose of these questions is not only to determine my readiness to get the full benefit of the experience but also to give you the information you need to help me reach my goals. 2008 Life Transformation Coaching Policies:

Confidentiality: As a facilitator for our 3 group gatherings, I am committed to creating a highly confidential experience. Confidentiality is critical to creating an environment of safety. Additionally, a policy of "what's shared in the group stays in the group" condenses our energetic focus, creating a highly charged environment that will enhance the power of manifestation for each of us.

Each member of the program commits not to disclose any information shared by other participants with anyone outside of the group. You must also commit to not using private or sensitive trade secrets that another member shares for your own or another's gain. You may connect with an individual directly and obtain permission in writing to

determine the “classification or sensitivity” of their ideas and programs for your own use with their written permission only.

Exceptions to confidentiality: disclosure of an imminent plan to commit a crime or to harm yourself or others.

Payment: You agree to pay according to the payment schedule selected in this application.

Commitment and Termination: The Life Transformation Coaching Program is a year-long commitment to your growth. If you miss a scheduled session or group meeting or choose not to continue, you will continue to be liable for the fees of your program.

This Life Transformation Program experience will stretch you.

There may be times that you will be “triggered” by the material presented by me, or by other members at group meetings. You may feel uncomfortable. Often, this is a sign that you are ready to break through a growth threshold, (James Ray calls this the “terror barrier.”) When this happens, please let me know so that I can help. It is your responsibility to let me and the group know what you need.

Facilitator’s privilege: In the unlikely event that any member acts in a way that is deleterious to the rest of the group or in serious conflict with my own integrity, I reserve the right to ask that member to leave the group.

Financial Investment:

How much are you willing to invest in completely transforming your life?

I have given a lot of thought to what all the benefits of this program are worth.

My 2008 one-on-one fees range between \$150 (abundance coaching) and \$197 (abundance and time-bending spells) for 50 minutes of my time. I’ve personally invested more than \$1,100 per month in this sort of coaching. And believe me, it was worth every penny!

However, I’m committed to offering you an **INCREDIBLE** value for your investment.

Let’s review again what you’ll receive during this year-long Life Transformation:

- A full day one-on-one **Jump Start** with me, plus lunch.

- **3 small group sessions** with other extraordinary women, featuring ritual, experiential exercises, networking and sharing your visions.
- **24 one-on-one sessions** throughout the year to shatter your limiting beliefs, raise your vibrational frequency; support the emergence of your Authentic Self and give you a perfect combination of hand-holding and gentle pushing to keep you on the path of your heart's desires.
- **Direct phone and email access to me** in case of quick questions or "spiritual emergencies."
- 6 month **one-on-one review day** with me (plus lunch!).
- End of year **launch you into the rest of your life day** (lunch again...).

PLUS all of these bonuses:

- Manifestation Mastermind (\$97 monthly value)
- Ongoing energetic support 24/7 between appointments
- Abundance & Time-Bending Spells (\$197 value for each)
- Personal premier copy of my Home Study Course: [Beyond Abundance: The Cornucopia Method of Manifestation](#) (Min. \$297 value)
- Personal shopping service for spiritual development resources
- \$55 Savings on Zyto Treatment
- \$50 Savings on a Jin Shin Jyutsu series
- \$50 Savings on a 90 minute "way beyond pilates" session.

I don't know what your particular goals are for next year, but my goal for you is this: 10 years from now, you will look back on 2008 and say: "That was the year that totally transformed my Life."

Coaching fees are usually tax-deductible as long as our work together includes some focus on career/business goals.

"For every nine people who denounce innovation, only one will encourage it...For every nine people who do things the way they have always been done, only one will ever wonder if there is a better way. For every nine people who stand in line in front of a locked building, only one will ever come around and check the back door.

Our progress as a species rests squarely on the shoulders of that tenth person. The nine are satisfied with things they are told are valuable. Person 10 determines for [herself] what has value."
